Shirts Finally Reduced

Were \$2.50

You'll note that the most expensive are now little more in price than the less expensive. It's partly because the Shirts here at \$1.50 have been found so unusually good. Those costing more have been slower selling. Thus \$1.35 for the \$2.50 Shirts and \$1.15 for the \$1.50 grade. All sizes of plain and pleated bosoms. Hurry—while all sizes are here.

Underwear Worth up to \$1.35, 45c

Broken lots of Union Suits and two-piece summer garments that lots not "broken" are also reduced—but not so greatly
